### 3. Team Registration

a. Confirmation of returning teams

b. Process for new teams

We are currently at 19 teams. Issues with field bookings for 18 teams. Kate is booking as many fields as possible. Heartbreakers are returning this year. We max out at 20 teams. We want to suggest a change in how divisions are split.

If we stay at 20 teams, no additional new teams. Goal is to make an easy round robin. We have a lot of teams at the intermediate level, handful on the ends of the spectrum. We will instead have 2 divisions of intermediate. If we end up with 20, we will have that format.

We don't know whose in what division yet, because we need to know our final registration. There would be 4 final games instead of three for the finals. Priority is to have as many fun games as possible. [Mabel@mabelleague.com](mailto:Mabel@mabelleague.com) or [executive@mabelleague.com](mailto:executive@mabelleague.com)

c. Division Splits: 4 divisions of 5 teams each. A, B, C, and D.

d. Process for new players

i. Must complete the anti-oppression seminar, it is up to Team Reps to confirm that this has been completed. Encourage the whole team to take it as a refresher. It is a passworded link, we want to continue talking about how we have reconciliation within the league. It is up to team reps to confirm if it has been completed.

Waiver be edited to include the anti-oppression training.

The link will be sent out after the meeting.

KB asks to send out the agenda, so we have all the dates and info to share with the teammates.

The link to the training is:

### 4. Call for Committee Membership

a. Inclusion Committee: We need more people! Please reach out if interested.

b. Grievance Committee: Not a wellspring of hope, but we rarely have to meet. Generally only needed for conflict if parties cannot resolve themselves.

c. Event Committee: have a hand in shaping the fun stuff, including LIL events, signage, clinics, etc.

#### 5. New Business

How many games can we anticipate, typically start around April 22<sup>nd</sup>, Every team will play one or 2 games before May 6<sup>th</sup>.

Nat wants more feedback for the clinics. Sliding clinics. Catching clinic (popular!!!). Costume clinic. New members of the league, they should know more about the LIL. One pager for the Lil is great.

Most likely have regular season games at Connaught, depends on if we get the fields. Try to schedule the teams there that want to be there the most.

#### 6. Adjournment 7:56 pm
